

The image features a complex abstract design. It consists of several thick, overlapping diagonal lines in various colors: yellow, orange, red, purple, green, and dark blue. These lines intersect to form a series of overlapping rectangular and triangular shapes. The background is a light purple color with a faint, dark purple grid pattern. The word "MATEMÁTICA" is written in white, bold, uppercase letters, slanted to follow the angle of the lines.

MATEMÁTICA

AGORA É COM VOCÊ...

Resolva a equação do 2º grau

$$t^2 - 2t + 1 = 0$$

Bons estudos e até a próxima aula!
